

The British School at Rome invites expressions of interest from postdoctoral scholars who wish to apply for a range of fellowships schemes and research grants:

The British Academy Postdoctoral Fellowships
The Marie Skłodowska-Curie Postdoctoral Fellowships
The Leverhulme Trust international Fellowships

The deadline for the submission of expressions of interest to the School is **Thursday 1 June 2023**. Potential candidates are asked to check the eligibility requirements of the scheme they are interested in. Those interested should send a CV, a list of publications and an outline of the proposed research (no more than 2 pages) to research@bsrome.it. When appropriate, potential candidates are welcome to send a separate statement of any circumstances that may have impacted their research. Candidates selected by the School will be contacted directly by the Research committee. For any information please contact research@bsrome.it

British Academy Postdoctoral Fellowships 2024

The British Academy Postdoctoral Fellowships offers outstanding early career researchers the opportunity to pursue an independent research project at a host institution, towards to completion of a significant piece of publishable research, for a period of 3 years. More information about the scheme is available on the British Academy website (access to the 2023 call: <https://www.thebritishacademy.ac.uk/funding/postdoctoral-fellowships/>)

The Marie Skłodowska-Curie Postdoctoral Fellowships 2024

[MSCA Postdoctoral Fellowships](#) is open to excellent researchers of any nationality, who wish to carry out their research activities abroad, acquire new skills and develop their careers undertaking international mobility either to or between EU Member States or Horizon Europe Associated Countries or in a non associated Third Country. The objective is to support researchers' careers and foster excellence in research. These fellowships can last 1 or 2 years (European fellowship) or 2 or 3 years (Global fellowship).

More information about the scheme is available at

<https://marie-sklodowska-curie-actions.ec.europa.eu/actions/postdoctoral-fellowships>

The Leverhulme Trust international Fellowships

The fellowship is open to researchers established in the UK to develop new knowledge, skills and ideas outside the UK. The scheme may be used for developing new lines of research through overseas collaboration, making 'discipline-hopping excursions' into new areas of research, developing innovations in teaching, preparing for collaborative grant applications, or observing and sharing ground-breaking techniques or practices. Fellowships are tenable for between 3 and 24 months. More information: https://www.leverhulme.ac.uk/international_fellowships
