THE BRITISH SCHOOL AT ROME is a centre of interdisciplinary research excellence based in the European Union, supporting the full range of arts, humanities, and social sciences. We welcome people from a wide range of backgrounds to a stimulating, nurturing environment of interdisciplinary research and practice where work of the very highest quality is generated and facilitated in a transformative intellectual context.

FINE ARTS RESIDENCIES AT THE BSR offer artists access to Rome and Italy as an exceptional repertory of the visual culture of the past and encourage informed and innovative responses to that cultural heritage. They offer the superb opportunity to research and focus upon work away from normal pressures, and to use the BSR as a base to explore Rome and Italy. The regular programme of events enables award-holders to meet and interact with others in their own and other disciplines, both from the BSR and the unique cluster of foreign academies in Rome. Alumni have included some of the most critically esteemed artists of recent generations: Gillian Ayres, Cerith Wyn Evans, Chantal Joffe, Julian Opie, Cornelia Parker, Eddie Peake, Laure Prouvost, Bob and Roberta Smith, Barbara Walker, Mark Wallinger, and Alison Wilding.

SELECTION CRITERIA

Applications will be assessed using the following criteria:

1. the quality of the applicant's creative output and the appropriateness of their qualifications.
2. the extent to which the applicant's proposal reflects the purpose of the award.
3. the viability of the proposal as a project to be carried out with support from the BSR.

In addition, the selectors will consider the potential for the award to support the applicant's creative development and will attempt to ensure that the needs and interests of the successful applicant are compatible with the facilities available at the BSR and the interests of its community. Applications from those who have held a residency at the BSR in the previous two years will not normally be considered.
